

PALO CEDRO RIDERS

P.O. Box 75, Palo Cedro, CA 96073

May 2022

Well, we finally got to have our Poker Ride and the weather was quite nice. A little wind came up now and then but nothing bad. We had about 20 riders so not a big turnout but we still were able to make a little over \$400. Kathy and I would like to thank all those who came to work and those who came to support the club by riding.....some did both!! Thank you all.

Welcome Book Excerpt:

From page 4 of the Welcome Book----"If you drop from the club and wish to rejoin at a later date, any past monies owed to PCR must be paid along with your current application fees."

Happy May Anniversary to:

Yay!

We added three new families to our club last month. Being voted in for their temporary membership are the Polniaszek, Fecher and Correia Families. Welcome to all of you!!

We need a favor from our members. When you are up at the club riding, working or whatever.....will you please add some water to the outhouse. We don't want it to get too full but since it is only getting pumped every 8 weeks instead of every 4 weeks, it is going to dry out faster in these warmer months coming up. If it doesn't need it then don't add any but if you think it does need some...please pour in whatever you've got left from a bucket or ice chest or whatever source. Thanks!

Our May Playday will be on the 21st with sign-ups at 12:00 PM and ride @ 1:00 PM. The events for the playday for all age groups except PeeWees are Mini Obstacle Course, Musical Ground Poles, Poles II, Hurry Scurry, Cat's Cradle and Butterfly. PeeWee classes are Walk/Trot, Poles II and Butterfly. The workers for this month are:

Arena: Greene
Workman

Snack Bar: Owen, Kathy
Linhart

Don't forget to find someone to work in your place if you are unable to make your playday obligation. Also, keep in mind that a missed playday workday is the same thing as a missed meeting and could cause you to lose your membership.

HAPPY MAY BIRTHDAY TO:

The 50/50 drawing for April had \$38 in the pot and David Ling held the winning ticket so received \$19, as did the club. The Free lunch was won by David Ling and the Free Playday was won by (in case you haven't guessed) David Ling. Congratulations to David and good luck to all of you for May.

For those members who may not have been at last month's meeting, the results of the by-law changes that were voted on were this. The wording of "grandchildren" and "in good standing" were added to the by-laws but the proposed change of no meeting requirement did not pass. Thanks for coming out to vote and letting the membership know what you want.

Don't forget to let Terri Uhlir or a Board member know of any work you have done at the club so that you can get credit for it. There is weed eating that needs done, raking the sand off the rail and back into the arena, general cleaning or wherever you see that needs some attention. Remember, it is everyone's job to maintain YOUR facility,

Do Lipton employees take coffee breaks?

If you saw a heat wave, would you wave back?

If a person with multiple personalities threatens suicide, is it considered a hostage situation?

It may be that your sole purpose in life is simply to serve as a warning to others.

I busted a mirror and got seven years bad luck. But my lawyer thinks he can get me five.

See You at the Meeting

The Board voted to donate the next two month's 50/50 earnings to the Jr. Board to start a fund for their upcoming activities. The Jr. Board is also considering asking a local feed store for a donation to go along with the sunglasses that they are selling raffle tickets for in an attempt to raise money for their different activities. Great to see such enthusiasm in our young members. Way to go, Jr. Board!

Here are your points through March 2022. Good Luck to all riders.
