## Announcements & Updates

- Apparel order update: Order was completed and sent to Dans North Valley Trim. Checks will be handed in to Treasurer once I get the confirmation that all the items are available from the order as they have had issues with supply orders lately. Apparel should be able to be picked up in approximately 3-4 weeks depending on when the clothing is received. Hoping to have it all dispersed before the open shows!
- Permanent obstacle course has been voted on to be added to the PCR arena grounds! A committee was created at the June General Meeting and will be chaired by Kelly Bebensee and will also include Kim Owen, Staci Workman, and Debbie Waters! If you have ideas/comments/questions please feel free to bring them up to the obstacle course committee so that our arena grounds will be tons more fun in the upcoming years!
