Herzog

Play Day Volunteers

If you are unable to keep your arena or snack bar commitment, please find a replacement and let the arena/snack shack directors know. Thank you!

Each member family is required to work 3 Work Days (facility maintenance) and 2 Play Days every year. You can now work extra Play Days to substitute for Work Days! Please contact Debbie Waters +1 (530) 549-4072 or Kim Owen (530) 227-0225 to make this arrangement!

Chairpersons NEEDED for events/committees:

2023 Poker Ride*

April Workday

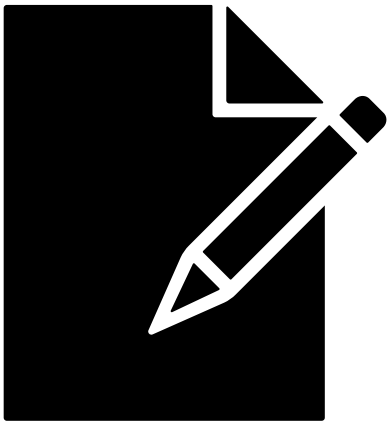

Fall Workday

* State law mandates that Poker Rides are considered to be illegal underage gambling if minors are involved in the activity. We therefore need to rethink / rename this event so all families can participate!

Warnings - None this month! Yay!

General information

1. Diane Greene is working to secure a new venue for our Annual Ride activity, formally known as the poker ride. Although typically held in April, this event can be held anytime! Diane is willing to help plan the details of the event, but needs another person to head up the raffle committee, and people to set-up/clean up the staging area. Please contact Diane at diane@westcoastfarrier.com if you are interested in co-chairing and/or assisting with this activity.
2. Work Day fines at \$10 per missed Work Day! A missed Play Day assignment counts as a missed meeting!
3. Work Day projects are available for members to complete at a time convenient for you! Contact Brian Stephenson at bstephenson@dokkenengineering.com for specific projects!

PCR needs someone to write our monthly newsletter! Please contact any of our Board Members to express your desire to fulfill this important task!

Happy Trails!
