### General information

1. Diane Greene will secure the ride venue and organize a PCR Family Fun Ride (formally the Poker Ride) to happen **sometime** this year BUT we need a member to head up a raffle committee, and a member to head up a set-up/clean up committee for the staging area! Please contact Diane at [diane@westcoastfarrier.com](mailto:diane@westcoastfarrier.com) if you are interested in assisting with this activity. Please consider helping! This event will not happen if we don't have people help plan and work it!
2. Our Play Day Snack bar is offering a whole new assortment of snacks, jerky, fresh fruit, and candy for sale every month! We cannot operate the BBQ because of insurance restrictions, but chips, soda, and bottled water remain a lunch staple!
3. Contact Brian Stephenson at [bstephenson@dokkenengineering.com](mailto:bstephenson@dokkenengineering.com) for Work Day maintenance projects that need doing! Projects include: Port-o-Potty foundation, Arena sand (spread & disc)
4. The PCR on-site Trail obstacle course is slowly coming together! We hope to be able to finish & use it once the weather improves!
