- Reminder that when the weather is good we need members to visit the arena and mow, clean up and do minor maintenance. When you do the work make sure you let Staci Workman know who you are, so you receive credit for your work. Staci's email is smokindust@aol.com
- It was decided that if you work a playday in arena other than your assigned monthly work day it will count towards the 3 required club workdays. It also will help show non-members that there is club support.

MANDATORY ALL MEMBERS - Must sign a new liability form before riding in the arena.

APRIL WORK DAY- —April 27, 2024 has been set up to have a all-club workday. If you can attend please bring shovels, weed eaters, lawnmowers or any other items you think can be used to get the arena ready for our playdays. Also, Brian will be working on the Blue room pad and could use a couple extra guys to help. Brian is also going to bring his welder and generator so he can work on the gates. Margie Bailey will be working on cleaning up the Clubhouse. I am sure she could use a couple people to help in the clubhouse as well.

Friendly reminder to clean up after your horse & yourself when visiting the arena.
